

# How to get from Kanamecho (要町) station to Snark Liquidworks

The nearest station is Kanamecho (Yurakucho and Fukutoshin lines) but it's not that near.  
The simplest route is via Yamate Dori, but that's a bit long and boring,  
so instead we recommend taking the Yabatagawa Minami Green Path (谷端川南緑道).

At Kanamecho station, head for the Nishi-Ikebukuro Gate (exits 5 and 6)

From the ticket gate, head for Exit 6

Take the path next to the Family Mart in front of exit 6, which is Yabatagawa Minami Green Path.

In a few minutes you'll come to a road, and Snark is in the Nishi-Ikebukuro Mart (西池袋 mart) building on the other side.
